**Subject:** RE: [REDACTED] trial on 8.11.11

Hi Caleb-

I just found out that my Fall River case scheduled for 8/11/11 has been moved by the defense counsel, so there will not be a problem for me to be in New Bedford that day. However, I still need the Drug Lab Number(s) for the case. Also, do you want me there at a set time, or would you prefer to have me on call? (I don't know if the case may plea or not) I also have cases scheduled in New Bedford on 8/9/11 and 8/10/11, so depending on what happens with those cases, I may decide to spend the night at my parents house in Portsmouth, RI, so getting to New Bedford would be fairly easy. Thanks.

-Sonja

**Subject:** RE: contact information for New Bedford drug cases

Hi Caleb-

First, thanks for letting me know who I should contact if/when I have questions regarding court case in New Bedford - I appreciate it.

Second, I may not be available on 8-11-11. I have a case scheduled in Fall River that day, and have told the ADA that they would be my priority (they have moved the date 3 times due to conflicts in my schedule). I will try to get in contact with ADA there and see what the status of the case is, and if they would actually need me on the 11<sup>th</sup> or 12<sup>th</sup>. If I am still needed, I may be able to make it to both courthouses if everyone knows about the other trial and is willing to possibly take me out of order (1<sup>st</sup> for one, last for the other) since they are fairly close to one another. I will let you know when I hear back from Fall River.

Also, do you happen to have the Drug Lab Number(s) for this case? It makes it much easier for me to pull the data, and if the defendant is in the system more than once (or if this case is an et. al case), I would not know which numbers are correct. Thanks.

-Sonja

**Subject:** contact information for New Bedford drug cases

Hi Ms. Farak:

I am the supervising Assistant DA for the New Bedford District Court. I can answer any questions for you about drug cases pending in this court, to whom they are assigned and whether your presence is required for purposes of establishing chemical composition.

There is a case coming up, [REDACTED], for 8.11.11. You are the analyst. Are you available that day?

You can reach me here or on my cell phone at any time, [REDACTED]

Thank you in advance for your help.

Sincerely,

Caleb Weiner
